DUENDE
DRAMA & LITERATURE

Duende: Drama & Literature has been bringing professional theater to Mother Lode schools since 1998. Our plays show that history is exciting and funny—and the art of theater enhances the curriculum. Last year's Gala made it possible for Duende to bring performances to every fourth and fifth grade class in Tuolumne County.

Join us on September 20 for a great evening and to help us expand our offerings to all the third, fourth, fifth, and seventh grades.

Tickets: \$75
